Rules for recreational play

- **GENERAL:** Disc Golf is played like ball golf except that a flying disc is used instead of a ball. One point is counted each time the disc is thrown and when a penalty is incurred. The object is to acquire the lowest score.
- **TEE THROWS:** Tee throws must be completed within or behind the designated tee area. Do not throw until the players in front of you are out of range.
- **LIE:** The spot where the previous throw landed is the "lie". Mark the lie with a mini disc or turn over the thrown disc, directly towards the hole or dogleg.
- **THROWING ORDER:** After teeing-off, the player whose disc is farthest from the hole always throws first. The player with the least amount of throws on the previous hole is the first to tee-off on the next hole.
- **FAIRWAY THROWS:** Fairway throws must be made with the foot closest to the hole on the lie. The other foot may be no closer to the hole than the lie. A run-up and normal follow-through, after release, is allowed.
- **DOG LEG:** A dog leg is one or more designated trees or poles in the fairway that must be passed. Until the dog leg is passed, the closest foot to the dog leg must be on the lie when the disc is released.
- **COMPLETION OF HOLE:** A disc that comes to rest in the disc hole basket or changes or chains constitutes successful completion of that hole.
- **UNPLAYABLE LIE:** Any disc that comes to rest above the ground is considered an unplayable lie. The disc must be thrown from the new lie on the ground, directly underneath the unplayable lie. Relocate the disk to avoid damage to vegetation.
- **OUT OF BOUNDS:** All road, fences, permanent water hazards and areas marked O.B. are out of bounds for this course. A throw that lands out of bounds must be played from a point 3" in bounds from where the disc went out of bounds.
- **PENALTIES:** Recreational players will not be penalized for rule infractions. Experienced players are expected to help new players in understanding the rules.
